2018-2019

AGATE 5th Grade Supply List

Every child in the AGATE 5th grade class should have some things available at school all year:

- one composition book for the *Daily Dictionary*, the more unique and snazzy, the better
- one composition book for science (this one with graphing paper for its pages, please)
- one set of 8 subject dividers with tabs (I prefer the write-on kind)

Parents, please see the back of this page for how you can help your child set up the binder dividers *before* arriving at school—that would help so much!

- a *continuous* supply of number 2 pencils
- a *continuous* supply of dark blue ball point pens (regular Bic, not the clicking kind)
- a *continuous* supply of red ball point pens (regular Bic, not the clicking kind)
- a *continuous* supply of dry erase markers for math
- a container for their pens and pencils (a zipped bag to go in the 3-ring binder)
- [an inexpensive flash drive](#)

On the first day of school, each child should arrive with

- ONE blue or black pen,
 - ONE red pen,
 - TWO already sharpened pencils, and
 - ONE dry erase marker
- in the container inside their 3-ring binder. All the other pens and pencils stay at home until needed.

I'm also going to ask students to bring things to share, if they can:

- Every girl should bring a large box or two of Kleenex (the 200-tissue size or bigger).
- Every boy should bring a box of markers (I prefer chisel tip permanent markers).

I have plenty of colored pencils for the year. I also have rulers and scissors to share. If students decide to bring their own rulers or scissors, they should be clearly marked.

Thank you so much! I look forward to a great year!
