## AGATE 5th Grade Supply List

**Every child in the AGATE 5th grade class should have some things available at school all year:**

- one composition book for the Daily Dictionary, the more unique and snazzy, the better
- one composition book for science (this one with graphing paper for its pages, please)
- one set of 8 subject dividers with tabs (I prefer the write-on kind)
- earbuds for use in the lab

**Parents, please see the back of this page for how you can help your child set up the binder dividers before arriving at school—if you get the dividers set up with your child before school starts, that makes the first days of school go much easier!**

- a continuous supply of number 2 pencils
- a continuous supply of dark blue ball point pens (regular Bic, not the clicking kind)
- a continuous supply of red ball point pens (regular Bic, not the clicking kind)
- a continuous supply of dry erase markers for students in 6th and 7th grade math
- a container for their pens and pencils (a zipped bag to go in a 3-ring binder)

**PLEASE DO NOT BUY A 3-RING BINDER.**

**I WILL PROVIDE THE BINDERS FOR THE STUDENTS IN MY CLASS.**

**I'm also going to ask students to bring things to share, if they can:**

- Every student should bring a ream (500 sheets) of white copy paper for our printer.
- Every student should bring a ream (500 sheets) of WIDE-RULED binder paper.
- I also need full-size boxes of Kleenex, packages of wipes, and a variety of permanent markers for classroom use.

**On the first day of school, each child should arrive with**

- ONE blue or black pen
- ONE red pen
- TWO already sharpened pencils
- ONE dry erase marker

**in a 3-ring container. All the other pens and pencils stay at home until needed.**

I have plenty of colored pencils for the year. I also have rulers and scissors to share. If students decide to bring their own rulers or scissors, they should be clearly marked.

Thank you so much! I look forward to a great year!  
Mrs. Kragen
